LUMINARIAN

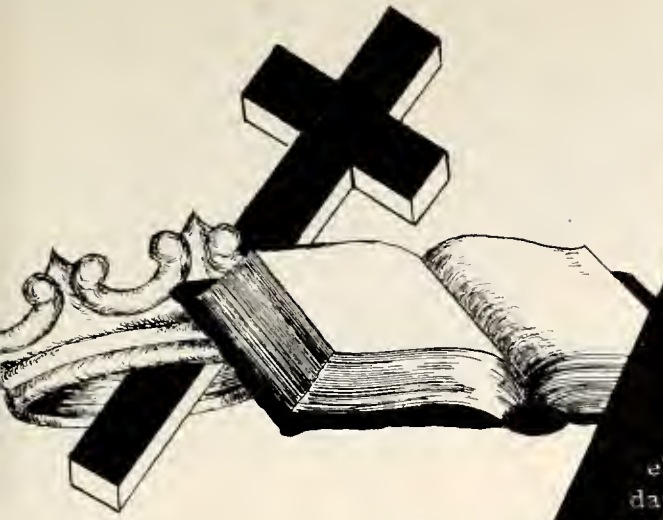
SHOWING
HOW OUR
SCHOOL FLAG
SYMBOLIZES . . .

OF 1955

CONCORDIA

Lutheran High School

Fort Wayne, Indiana



The goals of our Lutheran High School are to strengthen faith, to deepen convictions, to increase love, to foster service, to develop citizenship, to honor God, and to give a true secondary education.

Since most of us received our elementary training in Christian day schools, we soon became aware of the fact that our secondary training was also Bible based, Christ centered, and life directed.

One of the main reasons why it took so long to create a Concordia Lutheran High School flag was because it was difficult to symbolize these high ideals with a simple design. After many months of planning and revision of sketches the flag as found on page 1 of our 1955 LUMINARIAN was finally adopted.

The open book symbolizes the Scriptures from which we learn to know Christ--represented by the cross--through whom we have eternal life--depicted with a gold crown.

The patriotic emblem on the flag is well known to all. The eagle with the olive branch and arrows brings to mind that we as good citizens of our country will do all in our power to promote peace, but will be ready also to serve when our country needs us in time of war.

The school crest and the patriotic emblem have been combined on the flag with the school colors--a white background with a diagonal maroon stripe.

Thus we see, our flag truly is symbolic of our Concordia Lutheran High School where we are trained to serve both God and Country.

High School Chorus Appears On Television

A select group of students from the high school choir sang on television Sunday, August 15 at 11 o'clock. The Lutheran Church Missouri Synod present- ed the morning devotion on the Church of the Air on station WKJG-TV and this group of stu- dents offered the musical back- ground. Since the new choir gowns arrived this summer they were available for this perfor- ance.

The high school choir also sang the dedication of Camp Lu- therhaven on July 4.

SENIORS

Autographs

SITTING ON TOP OF THE WORLD

Remember the Fall of 1951 when 107 of us entered the halls of Concordia Lutheran High School as freshmen with great expectations. After the first few bewildering weeks, we began to feel at home among our many new friends.

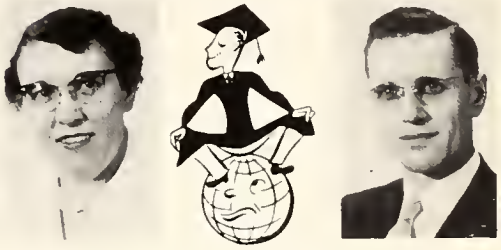
Then in 1952 we returned as sophomores but in our new building with its modern classrooms, harder assignments, and more social activities.

We enjoyed being upper classmen in our junior year and hope that we set a Christian example for the freshmen and sophomores. For the first time a junior class at Concordia presented a major play. That was fun but expensive.

In our senior year regular bi-weekly class meetings were held during the activity period to take care of the many details confronting would be graduates. Endless activities such as hayrides, parties, banquets, athletic events, class trips, assemblies, Skip Day, and homework made this an unforgetable year.

When we look back upon our experiences here at Concordia, we see how richly God has blessed each one of us. We want to thank Him for these blessings--His Word, this Christian school, these devoted teachers, and our Christian companions.

SENIOR CLASS OFFICERS FROM L. TO R.: Richard Bishop, Treasurer; Ronald Reinking, Vice-President; Velma Huck, Secretary; Larry Bauermeister, President.



Sponsors: Miss Ross and Mr. Panning

It was fun serving the Seniors last year.

Two and two.

Hit it quick before I drop the nail.

You can't write there; that's for Tom.

With our eyes on the future we, as Juniors, worked zealously at becoming upper classmen and taking on greater responsibilities. The Juniors were well represented in the academic field as well as in all sports and extra curricular activities. Tradition also gave us the exciting but wearisome task of planning the Senior Banquet. The year "1956" inscribed on our class rings made us eagerly look forward to the day when we would be the leading students here at Concordia. . . Considering the success which we achieved as Juniors and the determination and efficiency with which we carried out our projects, we are looking forward to a very rewarding senior year.

CLIMBING HIGHER

Ah! Only two more years until we graduate. How far away that seemed when we were green freshmen! It feels good to say, "We're coming back next year as upper classmen--to become leaders in our school."

The past year was filled with many activities which were all fun--the hayride, the games, the parties, and the assemblies.

We are the smallest class, but what we lack in number we made up in spirit. We're out to lick all four years of high school, and there is no stopping us now.

The president serves his customers root beer.

Let's put that on the class agenda.

He thinks the military department requires starched shoe strings.

CLIMBING

Here we are the smallest people but the largest class. In our dreams we pictured high school as one of the greatest adventures in our life. At first we were a little scared when we started at Concordia, but we soon learned that our fears were unfounded.

We found the pep sessions fascinating, the games exciting, the assemblies interesting, the parties fun, the teachers friendly, the classes bearable, and life at Concordia tops.

In our climb toward the day of graduation we intend never to slacken our pace.

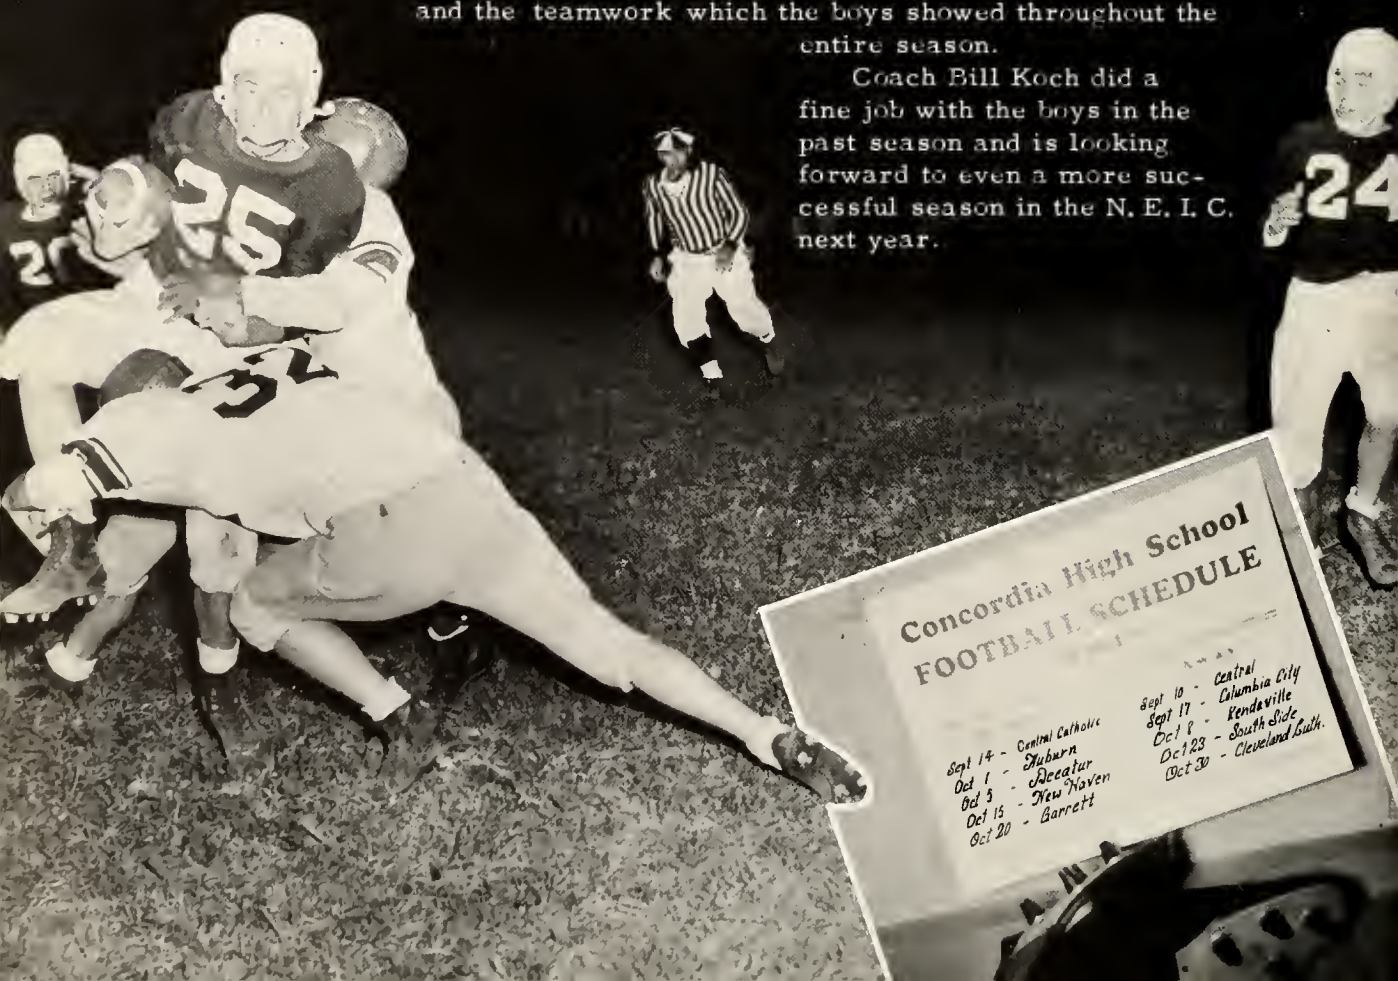
FOOTBALL

Riddled by injuries the Cadets put forth a fighting and spirited football team to represent our school this year. Although not a powerful machine, Concordia enjoyed a very successful season because of the spirit, the fight, and the teamwork which the boys showed throughout the entire season.

Coach Bill Koch did a fine job with the boys in the past season and is looking forward to even a more successful season in the N. E. I. C. next year.



Never say die.

Two Down... One To Go

For the second time Concordia was presented with the Sportsmanship trophy.

Our school spirit during the season wasn't what it could have been; but thanks to the undying effort of the people concerned and to every individual student it "perked up" and paid off--the trophy.

To the Seniors it was a thrilling climax to the four basketball seasons of their high school days.

To the underclassmen it is a challenge. As soon as one school has won the trophy three time it become theirs to keep.

We've had it twice! It shouldn't be hard to win it once more. All we have to do is wholly support our team (win or lose) and behave ourselves as Christian young men and women.

Thanks to each and every student of Concordia Lutheran High School for making this beautiful trophy ours for another year.

So There You Are!

That's the book. We hope you've enjoyed reading (seeing) it as much as we've enjoyed producing it for you.

We would like to take this opportunity to thank the News-Sentinel and the Journal-Gazette for many of the sports action shots you see in your book; Mr. Wayne Roesner for the many pictures he took; the Directory advertiser, LUMINARIAN page sponsors, and you subscribers who made a larger and better book possible; the faculty for their wholehearted co-operation when we interferred with the home-room period; you students for your co-operation in posing for pictures when such pictures were needed; and Mr. Panning who was our chief photographer as well as faculty advisor.

So on behalf of my staff and myself, this is "Lonesome Gloria" saying, "So long neighbor."
